

EC TYPE-EXAMINATION CERTIFICATE
EC COUNCIL DIRECTIVE (89/686/EEC)

CERTIFICATE NUMBER: 040913
(Supersedes Certificate No: 980741)

Issued to: Interspiro AB

Address: Box 100 60
S-181 10 LIDINGÖ
Sweden

PPE Product: Spiromatic Q self-contained compressed air open circuit breathing apparatus fitted with a warning whistle and one of the specified options for: the Kevlar harness assembly, air cylinder(s) & full face mask/breathing valve assemblies [either (a) Spiromatic P series or (b) Spiromatic S series] to be used.
These products are described in the manufacturer's technical file reference Spiromatic Q Rev: B 2004.

It is certified that the manufacturer's technical file and the above mentioned PPE product have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the model satisfied the requirements of the relevant harmonized standard EN 137:1993. Plus the flame engulfment test requirements in prEN 137:2001 clause 6.11.2.2.

The manufacturer's information notices [a) 95771-01 or b) 96406-01] in English have been inspected and found to have addressed all of the relevant requirements of the harmonized standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive, are implemented and maintained while the model is in production.

Date of Issue: 20 September 2004

PPE Product: Interspiro Divator Mk II, self-contained open-circuit compressed air underwater apparatus (SCUBA). The SCUBA system has options of full face masks or mouth piece, breathing valves, regulator units and air cylinder harnesses.
The system is described in the manufacturer's technical file document Divator Mk.II, Rev A 010907.

It is certified that the manufacturer's technical file and the above mentioned PPE product have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the model satisfied the requirements of the technical specification EN 250:1993, including cold water performance (clause 5.13.3). The standard had been previously assessed and deemed to meet the basic health and safety requirements (Annex II) of the Directive.

The manufacturer's information notices (95239a-01 & 95283a-01) in English have been inspected and found to have addressed all of the relevant requirements of the Directive (Annex II, 1.4). However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive, are implemented and maintained while the model is in production.

PPE Product: Interspiro QS-system self contained, positive pressure, compressed air open circuit breathing apparatus with specified options for: harness, regulator units, air cylinders and full face mask or helmet/face mask, models:
a) "QS-S" with Spiromatic S breathing valve,
b) "QS-S" with Spiromatic S-AP breathing valve,
c) "QS-S" with Spirocllic S-B breathing valve.
These models are described in the manufacturer's technical file reference INTERSPIRO QS, Rev. 3 May 2003. A copy of the list of drawings (one page) is attached to this certificate.

It is certified that the manufacturer's technical file and the above mentioned PPE product have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standard EN 137:1993, except clauses 5.4 & 5.8 for the largest twin air cylinder size option.

The manufacturer's information notice (96407-01) in English has been inspected and found to have addressed all of the relevant requirements of the harmonized standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive, are implemented and maintained while the model is in production.
